Day 1 Guide (11 Steps)

Harris & Tucker Preschool

First Day of School Guide (Preschool)

Child / Parent Morning Start

You have enrolled your child into the Harris and Tucker School, What now? Here are ten steps to help you and your child have a great first start.

1. Greet everyone by saying good morning. No Cell Phones Please.
2. Parents check in using QR Code.
3. Parents help your child sign in (some children may not need help; most toddlers will need your help).
4. Take your child to the assigned cubby and help His/her hang up their coat.
5. Parents place lunch boxes in top location of cubby (ice packs should be in the bottom of lunch box. Please make sure containers are labeled. Proceed to bathroom to wash hands.
6. Take or instruct your child to wash his or her hands. As child becomes comfortable with washing their hands they will do it without assistance.
7. Ask your child what he or she would like to do in their classroom this morning.
8. Walk your child over to that area and as much as possible allow them to do everything, talk about what they are doing (some children may need your help).
9. Your child may choose to play for a little while, that's ok. They may want to eat later. We start AM Snack at 8A.M, till 8:30A.M after that time you will be responsible for serving and sitting with your child.
10. Parent and child can at that time bid each other a nice day. Tell them to go to which ever area of choice that they choose. Always remind your child that you love them, always use manners, and be a good listener and that you will be back after work.

Look for Pictures throughout the day and feel free to call at any time during the first few weeks.
